With a larger number of weaners on offer, the Taupo fair was split into two days, with steers and heifers up first. A full bench of buyers gathered, with mainly King Country and Northern Waikato bidding against a local bench. Quality was mixed, with some very good lines offered, though a large number were beef-cross, exotic-cross or dairy-beef, which saw a wide range of cpk prices recorded. Top price for Angus steers last year was \$1060, compared to \$1000 this year, though Angus still made a premium over other lines, with 226-268kg earning \$855-\$1000. Lim-x eased about \$30, with 233-235kg making \$875-\$895, (cont below)
