475

Approx 500 Cattle were yarded with 475 sold

The yarding was very much a clean-up sale before Christmas with an assortment of categories

The buying bench comprised mainly locals with few out of towners present

While sum of the quality lines sold well there was not the depth of buyers to handle the more off bred types

A good line up of Angus Frsn & Hereford Frsn X 15mth Heifers sold well along with a good line up of Hereford Frsn X Weaner Heifers
